### Interests and Experience

Additional Information May be Attached [Wesley Park Resume-Planning Zoning Board.pdf](#)

Briefly state your interest in serving on a City board or committee. Please include information relating to prior service on any governmental board or committee, and any specialized skills or training you feel will help you to qualify for membership on the desired City board or committee.

Five years ago, with a desire to become more involved in my local government, I applied and was appointed to the City of Cocoa's Utilities Advisory Board (UAB), and for the past three years I've had the honor of being that board's chairman. Nearly three years ago I was also appointed as a citizen member of the Space Coast Transportation Planning Organization's (TPO's) Bicycle, Pedestrian, & Trails Advisory Committee (BTAC) and remain the only citizen-representative from our area.

Serving on both the UAB and BPTAC have indeed allowed me to be more involved and to gain a much better understanding of the processes and responsibilities of our local advisory boards and committees.

I'm very proud to have been raised in the City of Cocoa and just as proud to now raise my own children in the same neighborhood that my family has lived in for generations. As such I take my responsibilities as a citizen of our city seriously. I believe Cocoa has great potential to become the thriving city we all know and want it to be. Should I have the opportunity to join the Planning & Zoning Board, I will apply my practical and professional experience accordingly, while also working with and learning from our more experienced and knowledgeable

board members to become a valued member of the board and assist in making the best decisions for our city based on the current, and future needs, of our community.

Thank you for your consideration of my application. Please reach out if you have any questions or more information is required.
