Hi Joel,

Congratulations! Your entity has been formed! Enclosed please find your filed articles for Hanson Asset Group LLC.

The next step is to take care of any IRS filings, Licensing, and bank account openings that are necessary, not the least of which is to obtain the EIN (Federal Tax ID). Please let me know if you would like assistance with this, InCorp can obtain the EIN for \$69. We can also assist with licensing and opening a bank account if you'd like.

We also suggest you hold your first official meeting. This is the meeting where the Articles are accepted, Manager, Members and Managing Members elected, and banking resolutions made. You should also approve your Operating Agreement and perhaps issue some Membership Certificates.

Does all this sound complicated? We thought so, too. InCorp Services Inc. has prepared LLC packages (LLC Kit) to fit your needs if you desire assistance in maintaining your newly formed entity. Kits may be ordered through your online account at [www.incorp.com](http://www.incorp.com), please let me know if I can assist you in any way.

Again, Congratulations and thank you so much for your business. If you have any questions or comments please let us know!

Sincerely,

The InCorp Team!
