\* The programming rate for maintenance contract customers will be reduced to \$24.00 per unit if:

1. The agency provides a minimum of 100 units for programming within 5 consecutive business days or
2. Programming is completed during a scheduled annual Preventative Maintenance effort.

## ATTACHMENT D-Pricing Discounts

Pricing discounts for all Harris manufactured equipment will be at the current Public Safety discount level of 25% off list price as published on the Harris website. All list pricing will reference the most current pricing available from Harris Corporation. All other vendor items will be priced to the County at either current published "Public Safety or Government" discount levels or at a minimum of 5% discount from the manufacturer's published list price, whichever provides the better discount level to the Customer.

All other vendor items will be priced to the County at either current published "Public Safety or Government" discount levels or at a minimum of **5%** discount from the manufacturer's published list price, whichever provides the better discount level to the Customer.

Discounts on all other manufactured equipment, custom equipment, and software not having published pricing or discount levels will be quoted at the time of request. All prices will be at best pricing offered to Public Safety agencies by Contractor in the State of Florida.
