THIS AGREEMENT is made and entered into this 9th day of November, 2020, by and between the **CITY OF COCOA, FLORIDA**, a Florida Municipal Corporation, hereinafter referred to as "City", located at 65 Stone Street, Cocoa 32922, and **ATLANTIC DEVELOPMENT OF COCOA, Inc.** 2185 West King Street, Cocoa, Florida 32926, hereinafter referred to as "Utility Contractor".

WITNESSETH:

WHEREAS, the City has followed the selection and negotiation process set forth in the Florida's Consultants' Competitive Negotiation Act, Section 287.055, *Florida Statutes*; and

WHEREAS, Utility Contractor participated in the selection and negotiation process and Utility Contractor was one of several contractors chosen by the City Council at a duly held meeting on October 27, 2020 to perform future services on an as needed basis; and

WHEREAS, Utility Contractor is willing to provide such underground utility services to the City under the terms and conditions stated herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties covenant and agree as follows:

1.0 **TERM AND DEFINITIONS**

1.1 Unless sooner terminated by either Party pursuant to the terms and conditions herein, this Agreement shall terminate on the third (3rd) anniversary of the Effective Date. This Agreement may be renewed by mutual agreement of the Parties for a maximum of two (2) separate two (2) year renewal terms.

1.2 The terms and conditions of any Task Authorization, as described in Section 2 hereof, shall be as set forth in such Task Authorization. Any Task Authorization in effect at the termination of this Agreement shall remain in effect until completion of said Task Authorization, and all of the terms and conditions of this Agreement shall survive until completion of all Task Authorizations.

1.3 Definitions. The following words and phrases used in this Agreement shall have the following meaning ascribed to them unless the context clearly indicates otherwise:

A. "Agreement" or "Contract" shall be used interchangeably and shall refer to this Agreement, as amended from time to time, which shall constitute authorization for the Utility Contractor to provide the construction services approved by Task Authorization by the City.

B. "Effective Date" shall be the date on which the last signatory hereto shall execute this Agreement, and it shall be the date on which this Agreement shall go into effect. The Agreement shall not go into effect until said date.

C. "Utility Contractor" shall mean **Atlantic Development of Cocoa Inc.**, and its principals, employees, resident project representatives (and assistants).

D. "Public Record" shall have the meaning given in Section 119.011(1), *Florida Statutes*.

E. "Reimbursable Expenses" shall mean the actual expenses incurred by Utility Contractor or Utility Contractor's independent professional associates and consultants which are directly related to travel and subsistence at the rates, and under the requirements of, Section 112.061, Florida Statutes, or any other actual expenses the City agrees to reimburse by Task Authorization.

F. "Work" or "Services" shall be used interchangeably and shall include the performance of the work agreed to by the parties in a Task Authorization.

G. "Task Authorization" shall mean a written document approved by the parties pursuant to the procedure outlined in paragraph 2.0 of this Agreement, and any amendments thereto approved pursuant to the procedures outlined in paragraph 3.0 herein, which sets forth the Work to be performed by Utility Contractor under this Agreement.

2.0 DESCRIPTION OF SERVICES

2.1 The City shall make request of Utility Contractor to perform underground utility services on a "Task" basis. The City will communicate with Utility Contractor, verbally or in writing, a general description of the task to be performed. The Utility Contractor will generate a detailed Scope of Work document, prepare a Schedule, add a Not-to-Exceed-Budget or Lump Sum Fee to accomplish the task, and send the thus developed "Task Proposal" to the City. If a site visit by Utility Contractor is needed to generate the scope document, Utility Contractor shall request approval prior to visiting the site. The City will review the Task Proposal, and if the description is mutually acceptable, the parties will enter into a written "Task Authorization". The Scope of Services generally to be provided by the Utility Contractor through a Task Authorization may include any phases of utility construction. These phases are more clearly defined in the attached **Exhibit "A"**. Nothing herein shall be construed to guarantee that Utility Contractor will be assigned a Task.

2.2 The City will issue a Notice to Proceed to the Utility Contractor in the form of a City purchase order. Upon receipt of the signed Task Authorization and a written Notice to Proceed from the City, the Utility Contractor shall perform the services set forth in the Task Authorization.

2.3 For each Task Authorization in excess of \$25,000.00, Utility Contractor shall supply a materials, performance and payment bond(s) in accordance with Florida law and in substantially in conformance with the form attached to the Agreement **Exhibit "B"** and

approved by the City Attorney. The materials, performance, and payment amounts shall be in an amount equal to the total Contract Price for the Work required by the Task Authorization. The issuance of bonds required under this Agreement shall not relieve Utility Contractor of any liability under the Agreement and any applicable Task Authorization. Utility Contractor shall remain jointly and severally liable with any surety issuing a bond under the Task Authorization. The premium for such bonds shall be paid by the Utility Contractor.

3.0 CHANGES IN THE SCOPE OF WORK

3.1 City may make changes in the Services at any time by giving written notice to Utility Contractor. If such changes increase (additional services) or decrease or eliminate any amount of work, City and Utility Contractor will negotiate any change in total cost or schedule modifications. If the City and Utility Contractor approve any change(s), the Task Authorization will be modified in writing to reflect the change(s); and Utility Contractor shall be compensated for said service(s) in accordance with the terms of Article 5.0 herein. All change orders shall be authorized in writing by City's and Utility Contractor's designated representative.

3.2 All of City's said Task Authorizations and amendments thereto shall be performed in strict accordance with the terms of this Agreement insofar as they are applicable.

4.0 SCHEDULE; LIQUIDATED DAMAGES

4.1 Utility Contractor shall perform services in conformance with the mutually agreed schedule set forth in the negotiated Task Authorization. The parties acknowledge that the agreed upon schedule provided in this Section includes consideration of adverse weather conditions common to Central Florida including the possibility of hurricanes and tropical storms. Utility Contractor shall complete all of said services in a timely manner and will keep City apprised of the status of work on at least a weekly basis or as otherwise reasonably requested by the City. Should Utility Contractor fall behind the agreed upon schedule, it shall employ such resources so as to comply with the agreed-upon schedule.

4.2 No extension for completion of services shall be granted to Utility Contractor without City's prior written consent, except as provided in Sections 3.1 and 20.1 herein.

4.3 Unless otherwise expressly provided in the Task Authorization, City and Utility Contractor recognize that time is of the essence of this Agreement and that City will suffer financial loss if the Work required by a Task Authorization is not substantially complete within the time specified therein, plus any extensions thereof allowed in accordance with a written change order. They also recognize the delays, expense and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by City if the Work is not substantially completed on time. Accordingly, instead of requiring any such proof, City and Utility Contractor agree that as liquidated damages for delay (but not as a penalty) Utility Contractor shall pay City five hundred dollars (\$500.00) per day for each day that expires after the time specified in the applicable Task Authorization for both substantial and final completion until the work is completed within said time period, and that City has paid to the Utility Contractor the consideration of ten (\$10.00) dollars as consideration for this provision.

The liquidated damages shall be payable in addition to any excess expenses or costs payable by the Utility Contractor to the City under this Agreement and applicable Task Authorization, and shall not preclude the recovery of damages by the City under other provisions of the Agreement, except claims related to Utility Contractor's delays in substantial completion. The City's right to receive liquidated damages shall in no manner affect the City's right to terminate the Agreement or any applicable Task Authorization, as provided in this Agreement or elsewhere in the Task Authorization. The City's exercise of the right to terminate shall not release the Utility Contractor from the obligation to pay said liquidated damages.

When the City reasonably believes (i) that substantial completion will be inexcusably delayed; or (ii) that the Utility Contractor will fail to achieve final completion by the date of final completion, the City shall be entitled, but not required, to withhold from any amounts otherwise due the Utility Contractor the daily amount specified for liquidated damages for each calendar day of the unexcused delay. If and when the Utility Contractor overcomes the delay in timely achieving substantial completion or final completion, or any part thereof, for which the City has withheld payment, the City shall promptly release to the Utility Contractor those funds withheld, but no longer applicable, as liquidated damages.

5.0 METHODS OF PAYMENT FOR SERVICES AND EXPENSES OF UTILITY CONTRACTOR

5.1 General Services. For basic and additional Services performed by Utility Contractor's principals, employees, and resident project representatives (and assistants) pursuant to paragraphs 2.0 and 3.0, the City agrees to pay the Utility Contractor an amount equal to that agreed upon by the parties for a particular Task Authorization.

5.2 Additional Services Performed by Professional Associates and Consultants. For additional Services and Reimbursable Expenses of independent professional associates and consultants employed by Utility Contractor to render additional Services pursuant to paragraphs 2.0 and 3.0, the City agrees to pay the Utility Contractor an amount equal to that billed Utility Contractor by the independent professional associates and consultants multiplied by a factor of 1.10. Prior to payment by the City, the Utility Contractor shall submit to the City a copy of any written invoice received by Utility Contractor from all independent professional associates and consultants which clearly evidences the amount billed by the independent professional associates and consultants for additional Services and any Reimbursable Expenses.

5.3 Witness Services. For witness or expert services rendered by Utility Contractor's principals, employees, resident project representatives (and assistants), and independent professional associates and consultants on behalf of the City in any litigation, arbitration, or other legal or interested administrative proceeding in which the City is a named interested party, City agrees to pay the Utility Contractor or independent professional associate or consultant, which is used as a witness or expert, an amount equal to that agreed upon by the party for a particular Task Authorization.

5.4 Reimbursable Expenses. In addition to payments provided in paragraphs 5.1, 5.2 and 5.3 above, City agrees to pay Utility Contractor the actual cost of all Reimbursable Expenses incurred in connection with any Task Authorization.

5.5 Payment. Upon receipt of a proper invoice from Utility Contractor, the City agrees to pay the Utility Contractor the invoice amount providing said amount accurately reflects the terms and conditions of this Agreement and any applicable Task Authorization. Invoices may only be submitted on a monthly basis unless otherwise agreed by the City. Unless otherwise agreed in writing by the City, there shall be no other compensation paid to the Utility Contractor and its principals, employees, resident project representatives (and assistants), and independent professional associates and consultants in the performance of Work under this Agreement. The City agrees to make all payments due within thirty (30) days of receipt of a proper invoice delivered by Utility Contractor.

5.6 Withholding Payments. Progress payments may be withheld if:

- a. Work is found defective and not remedied;
- b. Utility Contractor does not make prompt and proper payments to subcontractors;
- c. Utility Contractor does not make prompt and proper payments for labor, materials, or equipment furnished him;
- d. Another Contractor is damaged by an act for which Utility Contractor is responsible;
- e. Claims or liens are filed on the job; or
- f. In the opinion of the City, Utility Contractor's work is not progressing satisfactorily.

5.7 Final Payment. The City shall withhold up to 5% of the Contract Price set forth in any Task Authorization throughout the subject project in accordance with the Local Government Prompt Payment Act ("Act"). City shall promptly make payment to the Utility Contractor unless the City has grounds, under the Act, for withholding the payment of the retainage. The remaining retainage amount withheld shall be released with the Final Payment after the issuance of the Final Completion Certificate. City shall make final payment to Utility Contractor within thirty (30) days after the work is fully and properly completed, if the contract has been fully and timely performed, but subject to the condition that final payment shall not be due until Utility Contractor has delivered to CITY a complete release of liens arising out of the Task Authorization, or receipt of releases of lien fully covering all labor, materials and equipment for which a lien could be filed, or in the alternative a bond satisfactory to City indemnifying him against such claims.

By making payments, City does not waive claims including but not limited to those relating to:

- a. Faulty work appearing after substantial completion has been granted;
- b. Work that does not comply with the Task Authorization and this Agreement;
- c. Outstanding claims of liens; or
- d. Failure of Utility Contractor to comply with any special guarantees required by the Agreement and applicable Task Authorization.

6.0 RIGHT TO INSPECTION

6.1 City or its affiliates shall at all times have the right to review or observe the services performed by Utility Contractor. The City shall be given free access to the worksite at all times during work preparation and progress. The City's Project Manager is not obligated to make exhaustive or continuous onsite inspections to perform his or her duties of checking and reporting on work progress, and any such inspections shall not waive City's claim regarding defective work by Utility Contractor.

6.2 No inspection, review, or observation shall relieve Utility Contractor of its responsibility under this Agreement. The City will not be responsible for the means of construction, or for the sequences, methods and procedures used therein, or for the Utility Contractor's failure to perform the work in accordance with the applicable Task Authorization and this Agreements.

7.0 PROGRESS MEETING

7.1 City's Project Manager may hold periodic progress meetings on a monthly basis, or more frequently if required by the City, during the term of work entered into under this Agreement. Utility Contractor's Project Manager and all other appropriate personnel shall attend such meetings as designated by the City's Project Manager. The City's review, inspection, or approval of any Work, applications for payment, or other submittals shall be solely for the purpose of determining whether the same are generally consistent with the City's scope and requirements for the Project. No review, inspection, or approval by the City of such Work or documents shall relieve the Utility Contractor of its responsibility for the performance of its obligations under the applicable Task Authorization or the accuracy, adequacy, fitness, suitability, or coordination of the Work. Approval by any governmental or other regulatory agency or other governing body of any Work, design document, or construction document shall not relieve Utility Contractor of responsibility for the performance of its obligations under this Agreement and applicable Task Authorization. Payment by the City pursuant to the this Agreement shall not constitute a waiver of any of the City's rights under this Agreement or at law, and the Utility Contractor expressly accepts the risk that defects in its performance, if any, may not be discovered until after payment, including final payment, is made by the City. Notwithstanding the foregoing, prompt written notice shall be given by the City or City Project Manager to the Utility Contractor if the City becomes aware of any fault or defect in the subject Project or non-conformance with this Agreement and applicable Task Authorization. Furthermore, the City shall not have control or charge of construction means, methods,

techniques, sequences, or procedures, or for safety precautions and programs in connection with the Work, nor shall the Utility Contractor, for any of the foregoing purposes, be deemed the agent of the City.

8.0 RESPONSIBILITIES OF CONTRACTOR The Utility Contractor's duties and rights in connection with any Task Authorization issued by the City herein are as follows:

8.1 Responsibility for Supervision and Construction. Utility Contractor shall be solely responsible for all construction under the Task Authorization, including the techniques, sequences, procedures and means, for the coordination of all work. The Utility Contractor shall remove, replace and/or repair at its own expense and at the convenience of the City any faulty, defective or improper Work, materials or equipment discovered within one (1) year from the date of the acceptance of the project as a whole by the City or for such longer period as may be provided in the applicable Task Authorization, Plans, Specifications, General Conditions, Special Conditions or other contract documents. Without limiting the generality of the foregoing, the Utility Contractor warrants to the City, that all materials and equipment furnished under this Agreement and Task Authorizations will be of first class quality and new, unless otherwise required or permitted by the applicable Task Authorization, that the Work performed pursuant to this Agreement will be free from defects and that the Work will strictly conform with the requirements of the Task Authorization. Work not conforming to such requirements, including substitutions not properly approved and authorized, shall be considered defective. All warranties contained in this Agreement and in the Task Authorization shall be in addition to and not in limitation of all other warranties or remedies required and/or arising pursuant to applicable law. Furthermore, Utility Contractor will provide written guarantee for work and materials for a minimum of one (1) calendar year after acceptance by City unless a longer time period is

required by a Task Authorization. The one (1) period is not a limitation upon manufacturer warranties or Utility Contractor's payment and performance Bond(s).

If the Project involve modifications to any existing structure(s) or other man-made feature(s) on the Project Site, the Utility Contractor shall also review all as-built and record drawings, plans, and specifications of which the Utility Contractor has been informed by the City, and shall thoroughly inspect the existing structure(s) and man-made feature(s) to identify existing deficiencies and ascertain the specific locations of pertinent structural components. Claims by the Utility Contractor resulting from its failure to familiarize itself with the Project Sites or pertinent documents shall be deemed waived.

8.7 Safety. Utility Contractor shall be solely and absolutely responsible and assume all liability for the safety and supervision of its principals, employees, resident project representatives (and assistants) while performing Services provided hereunder.

Utility Contractor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term. Upon completion of the Agreement, Utility Contractor shall transfer to City, at no cost, all public records in possession of the Utility Contractor, provided the transfer is requested in writing by the City Clerk. Upon such transfer, Utility Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Utility Contractor does not comply with a public records request, the City may enforce this Section to the extent permitted by law. Utility Contractor acknowledges that if the Utility Contractor does not provide the public records to the City within a reasonable time, the Utility Contractor may be subject to penalties under Section 119.10, Florida Statutes. The Utility Contractor acknowledges that if a civil action is filed against the Utility Contractor to compel production of public records relating to this Agreement, the court may assess and award against Utility Contractor the reasonable costs of enforcement, including reasonable attorney fees. All public records in connection with this Agreement shall, at any and all reasonable times during the normal business hours of the Utility Contractor, be open and freely exhibited to the City for the purpose of examination, audit or otherwise. Failure by Utility Contractor to grant such public access and comply with public records laws and/or requests shall be grounds for immediate unilateral cancellation of this Agreement by the City upon delivery of a written notice of cancellation. If the Utility Contractor fails to comply with this Section, and the City must enforce this Section, or the City suffers a third party award of attorney's fees and/or damages for violating Chapter 119, Florida Statutes, due to Utility Contractor failure to comply with this Section, the City shall collect from Utility Contractor prevailing party attorney's fees and costs, and any damages incurred by the City, for enforcing this Section against Utility Contractor. 17.9 Notwithstanding the aforementioned, in the event of a default by Utility Contractor, the City shall have the right to exercise any other remedy the City may have by operation of law, without limitation, and without any further demand or notice. In the event of such termination, City shall be liable only for the payment of all unpaid charges, determined in accordance with the provisions of this Agreement, for Work properly performed prior to the effective date of termination. Additionally, in the event of such termination upon default and breach of this Agreement, the City may take possession of the Project Site and of all materials, tools, and appliances thereon and finish the work by whatever method the City may deem expedient. Any completed services performed by Utility Contractor under this Agreement shall, at the option of the City, become the City's property and Utility Contractor shall be entitled to receive equitable compensation for any Work completed to the satisfaction of the City. The Utility Contractor, however, shall not be relieved of liability to the City for damages sustained by the City by reason of any breach of the Agreement, and the City may withhold any payments to Utility Contractor for the purpose of setoff until such time as the amount of damages due to the City from Utility Contractor can be determined.

18.0 FORCE MAJEURE

18.1 Any delay or failure of either party in the performance of its required obligations hereunder shall be excused if and to the extent caused by acts of God; fire; plague; pandemic; flood; windstorm; explosion; riot; war; sabotage; strikes; extraordinary breakdown of or damage to City's affiliates' generating plants, their equipment, or facilities; court injunction or order; federal and/or state law or regulation; order by any regulatory agency; or cause or causes beyond the reasonable control of the party affected; provided that prompt notice of such delay is given by such party to the other and each of the parties hereunto shall be diligent in attempting to remove such cause or causes. If any circumstance of Force Majeure remains in effect for sixty (60) days, either party may terminate this Agreement.
