CONSTRUCTION AGREEMENT
B-24-06-COC

THIS AGREEMENT is made this ____ day of _____, 2024 by and between the **CITY OF COCOA**, a Florida municipal corporation (herein referred to as OWNER) and **DOUG WILSON ENTERPRISES, INC.**, a for profit corporation authorized and duly licensed to do business in the State of Florida (herein referred to as CONTRACTOR), as follows:

1. **DESCRIPTION OF WORK** - CONTRACTOR shall perform the work, in accordance with the Contract Documents for the construction of the Lee Wenner Park Parking Improvements (“the Project”).
2. **CONTRACT DOCUMENTS** - The Contract Documents consist of this Agreement; Exhibits and Addendum(s) to the Agreement; the Construction Drawings for City of Cocoa Technical Specifications (Section 01200) rev 2024 04 17 as per Addendum 1, dated April 17, 2024; Plan Sheets Issued for Bid rev 2024 04 17 as per Addendum 1; ITB B-24-06-COC Documents issued by the City, dated March 19, 2024; Contractor’s Bid Submittal, dated May 8, 2024; General Conditions, if any; Supplemental Terms and Conditions by the City, if any; all Change Orders approved by the City after execution of this Agreement; the Punchlist prepared by the Parties following substantial completion. These Contract Documents are hereby incorporated into this Contract by this reference. The CONTRACTOR represents and agrees that it has carefully examined and understands this Agreement and the other Contract Documents, has investigated the nature, locality and site of the Work and the conditions and difficulties under which it is to be performed and that it enters into this Agreement on the basis of its own examination, investigation and evaluation of all such matters and not in reliance upon any opinions or representations of the OWNER, or of any of their respective officers, agents, servants, or employees. The Contract Documents are complementary, and what is called for by any one shall be as binding as if called for by all. The intent of the Contract Documents is to include all labor, materials, equipment, transportation, taxes, fees and incidentals necessary for the proper and complete execution of the Work for each Project. Materials or Work described in words which so applied have a well-known technical or trade meaning shall be held to refer to such recognized standards. Any discrepancies or omissions found in the Contract Documents shall be reported to the City’s Project Manager immediately. The City’s Project Manager will clarify discrepancies or omissions, in writing, within a reasonable time.
3. **ORDER OF PRECEDENCE** - In case of any inconsistency in any of the documents bearing on the Agreement between the OWNER and the CONTRACTOR, the inconsistency shall be resolved by giving precedence in the following order:
 - a. Change Orders
 - b. Agreement, Exhibits and Addenda
 - c. Supplemental Terms and Conditions

- d. General Terms and Conditions
- e. Engineering Plans and Drawings
- f. ITB B-24-06-COC issued by the City of Cocoa dated March 19, 2024, including any subsequently issued Addenda
- g. Contractor's Bid Submittal
- h. Punchlist

Any inconsistency in the work description shall be clarified by the OWNER and performed by the CONTRACTOR.

- 4. **AGREEMENT INTERPRETATION** - At its discretion, during the course of the work, should any errors, ambiguities, or discrepancies be found in the Contract Documents, the OWNER at its sole discretion will interpret the intent of the Contract Documents and the CONTRACTOR hereby agrees to abide by the OWNER's interpretation and agrees to carry out the work in accordance with the decision of the OWNER.
- 5. **BRAND NAME MATERIALS** - Whenever Materials or Equipment are specified or described in the Drawings or Specifications by using the name of a proprietary item or the name of a particular Supplier, the naming of the item is intended to establish the type, function and quality required. The CONTRACTOR will be responsible for all coordination necessary to accommodate the material, article, or equipment being provided without additional cost to the OWNER. Unless the name is followed by words indicating that no substitution is permitted, a substitute material, article, or equipment is allowed if it is reasonably equivalent to the brand name specified and CONTRACTOR certifies in writing that the proposed substitute will perform adequately the functions called for by the general design, be similar and of equal substance to that specified and be suited to the same use and capable of performing the same function as that specified. . The OWNER has full discretion to decide whether a substitute is reasonably equivalent. CONTRACTOR must notify the OWNER in writing prior to use of the substitute for a specified brand name and allow the OWNER to make a determination before CONTRACTOR uses the substitute.
- 6. **CONTRACT TIME** -
 - a. All provisions regarding Contract Time are essential to the performance of this Contract.
 - b. *Contract Time.* The Contract Time shall begin to run upon the OWNER's issuance of the Notice to Proceed. The CONTRACTOR shall sign the Notice to Proceed and deliver it to the Owner's Project Manager.
 - c. *Substantial Completion.* The Work shall be substantially completed within 330 calendar days after the date when the Contract Time begins to run.

The date of Substantial Completion of the Work is the date certified in writing by the OWNER when (1) construction is sufficiently complete, in accordance with the contract

documents, so the OWNER can occupy or utilize the work for its intended purpose, as expressed by the contract documents, and (2) any additional project-specific requirements or milestones for “Substantial Completion” identified in the general, special, or technical conditions or construction plans have been satisfied.

d. *Punchlist Creation and Acceptance.* No more than ten (10) calendar days following Substantial Completion, the CONTRACTOR shall provide to OWNER a draft Punchlist detailing the remaining items and estimated cost of each item required to render the Work complete, satisfactory, and acceptable. OWNER shall review the draft Punchlist and provide any comments to CONTRACTOR. The OWNER and CONTRACTOR shall cooperate in the development of the Punchlist regarding both the items to be included and the estimated cost of each. The OWNER shall approve a final Punchlist within 30 calendar days [(for projects costing less than or equal to \$10 million) or 45 calendar days (for projects costing over \$10 million)] of Substantial Completion.

OWNER shall deliver a final approved Punchlist to CONTRACTOR no more than five (5) calendar days following final approval of the Punchlist.

If the CONTRACTOR fails to coordinate with the OWNER to create the Punchlist and the OWNER has given the CONTRACTOR written notice of the failure, then the OWNER may withhold 150 percent of the estimated costs required to complete the items the OWNER intended to include in the Punchlist, without input from CONTRACTOR, and shall deliver the Punchlist within the time period in this subsection. The failure to include any corrective work or pending items not yet completed on the Punchlist does not alter the responsibility of the CONTRACTOR to complete the Work purchased under this Agreement.

e. *Final Completion.* The Work shall be finally completed, ready for Final Payment within thirty (30) calendar days after the date of delivery of the final, approved Punchlist, which shall be at least thirty (30) calendar days following the delivery of the final approved Punchlist.

f. The parties acknowledge that the Contract Time provided in this subsection includes consideration of adverse weather conditions common to Central Florida including the possibility of hurricanes and tropical storms.

g. If applicable to the particular Work required under this Agreement, Float Time is allocated specifically to the Contractor’s responsibility for coordination of the utility relocations as described in the General Conditions and is included in the Contract Time provided by this Section. OWNER will not consider any Contract Time extensions related to utility coordination matters including, but not limited to, utility relocations and conflicts, unless the utility relocation delays exceed the Float Time and also exceed the Project Schedule’s Critical Path.

h. In the event that the Work requires phased construction, then multiple points of Substantial Completion may be established in the Supplementary Conditions. If the Work requires phased construction, a Punchlist shall be created for each phase of construction, and the timeline established herein for Punchlist compliance shall be followed for each phase.

7. **LIQUIDATED DAMAGES** - OWNER and CONTRACTOR recognize that time is of the essence of this Agreement and that OWNER will suffer financial loss if the Work is not

substantially complete within the time specified in Paragraph 6 above, plus any extensions thereof allowed in accordance with the General Conditions. OWNER and CONTRACTOR also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by OWNER if the Work is not substantially complete on time. Accordingly, instead of requiring any such proof, OWNER and CONTRACTOR agree that as liquidated damages for delay (but not as a penalty) CONTRACTOR shall pay OWNER **\$1,699** for each calendar day that expires after the time specified in Paragraph 6 for substantial completion until the work is substantially complete and **\$1,699** for each calendar day that expires after the time specified in Paragraph 6 for final completion until the work is finally complete. The liquidated damages provided in this Section are intended to apply even if CONTRACTOR is terminated, in default, or if the CONTRACTOR has abandoned the Work. This provision binds Contractor's performance bond surety.

8. **CONTRACT PRICE, UNIT PRICE CONTRACT** - The OWNER will pay the CONTRACTOR in current funds for the performance of the work in accordance with the Contract Documents, subject to additions and deductions approved by Change Order, the Total Contract Price of **One million, Eight hundred twenty-two thousand, Six hundred and Seventy-four cents (\$1,822,600.74)**. CONTRACTOR agrees to accept the Contract Price as full compensation for performing all Work, furnishing all Materials, and performing all Work embraced in the Contract Documents.

The CONTRACTOR acknowledges that CONTRACTOR studied, considered, and included in CONTRACTOR's Total Bid all costs of any nature relating to: (1) performance of the Work under Florida weather conditions; (2) applicable law, licensing, and permitting requirements; (3) the Project site conditions, including but not limited to, subsurface site conditions; (4) the terms and conditions of the Contract Documents, including, but not limited to, the indemnification and no damage for delay provisions of the Contract Documents.

The CONTRACTOR acknowledges that performance of the Work may involve significant Work adjacent to, above, and in close proximity to Underground Facilities including utilities which will require the support of active utilities, as well as, the scheduling and sequencing of utility installations, and relocations (temporary and permanent) by CONTRACTOR.

(1) In addition to the acknowledgments previously made, the CONTRACTOR acknowledges that the CONTRACTOR's Total Bid (original Contract Price) specifically considered and relied upon CONTRACTOR's own study of Underground Facilities, utilities in their present, relocated (temporary and permanent) and proposed locations, and conflicts relating to utilities and Underground Facilities.

(2) The CONTRACTOR acknowledges that CONTRACTOR's Total Bid (original Contract Price) considered and included all of CONTRACTOR's costs relating to CONTRACTOR's responsibilities to coordinate and sequence the Work of the CONTRACTOR with the work of the OWNER, if any, with its own forces, the work of other contractors, if any, and the work of others at the Project site.

Payments will be made to the CONTRACTOR for actual quantities installed on the basis of the Schedule of Unit Prices included as a part of the Bid, which shall be as fully a part of the Contract as if attached or repeated herein. Where the Contract Documents

provide for Unit Price Work, the Contract Price stated in the Agreement will include for all Unit Price Work an amount equal to the sum of the Unit Prices for each item of Unit Price Work times the estimated quantity of each item as indicated in the Contract Documents. Each Unit Price will be deemed to include an amount considered by CONTRACTOR to be adequate to cover all costs, including supplemental and administrative costs, and profit.

9. **TERMINATION; DEFAULT BY CONTRACTOR AND OWNER'S REMEDIES** - The OWNER reserves the right to revoke and terminate this Agreement and rescind all rights and privileges associated with this Agreement, without penalty, for convenience. Further, the OWNER reserves the right to revoke and terminate this Agreement in the following circumstances, each of which shall represent a default and breach of this Agreement:

- a. CONTRACTOR defaults in the performance of any material covenant or condition of this Agreement and does not cure such other default within seven (7) calendar days after written notice from the OWNER specifying the default complained of, unless, however, the nature of the default is such that it cannot, in the exercise of reasonable diligence, be remedied within seven (7) calendar days, in which case the CONTRACTOR shall have such time as is reasonably necessary to remedy the default, provided the CONTRACTOR promptly takes and diligently and continuously pursues such actions as are necessary therefore; or
- b. CONTRACTOR is adjudicated bankrupt or makes any assignment for the benefit of creditors or CONTRACTOR becomes insolvent, or is unable or unwilling to pay its debts; or
- c. CONTRACTOR has acted negligently, as defined by general and applicable law, in performing the Work hereunder; or
- d. CONTRACTOR has committed any act of fraud upon the OWNER; or
- e. CONTRACTOR has made a material misrepresentation of fact to the OWNER while performing its obligations under this Agreement; or
- f. CONTRACTOR is experiencing a labor dispute, which threatens to have a substantial, adverse impact upon performance of this Agreement without prejudice to any other right, or remedy OWNER may have under this Agreement.

In the event of an uncured default by CONTRACTOR, the OWNER shall have the right to exercise any other remedy the OWNER may have by operation of law, without limitation, and without any further demand or notice. In the event of such termination, OWNER shall be liable only for the payment of all unpaid charges, determined in accordance with the provisions of this Agreement, for Work properly performed prior to the effective date of termination, which may be a set-off to Owner's damages.

10. **FORCE MAJEURE** - Any delay or failure of either party in the performance of its required obligations hereunder shall be excused if and to the extent caused by acts of God; fire; flood; windstorm; explosion; riot; war; sabotage; strikes (except involving CONTRACTOR's labor

force); extraordinary breakdown of or damage to OWNER 's affiliates' generating plants, their equipment, or facilities; court injunction or order; federal and/or state law or regulation; or order by any regulatory agency; ; provided that prompt notice of such delay is given by such party to the other and each of the parties hereunto shall be diligent in attempting to remove such cause or causes.

11. **SEVERABILITY** - In the event any portion or part thereof of this Agreement is deemed invalid, against public policy, void, or otherwise unenforceable by a court of law, the validity and enforceability of the remaining parts of this Agreement shall otherwise be fully enforceable
12. **PROGRESS PAYMENTS PRIOR TO SUBSTANTIAL COMPLETION; DUE DATE FOR PROGRESS PAYMENTS; SUBMITTAL OF PAYMENT REQUESTS; CHANGE ORDERS** – No payments shall be made where a Payment and Performance Bond is required herein until OWNER receives a certified copy of the recorded Bond. OWNER shall make progress payments on account of the contract price to CONTRACTOR, on the basis of application for payments submitted to the OWNER or OWNER's Project Manager, by CONTRACTOR as the work progresses, and in accordance with the Contract Documents. By submitting each request for a progress payment, the CONTRACTOR certifies, to the best of its knowledge and belief, that: (1) The amounts requested are only for performance in accordance with the specifications, terms, and conditions of the contract; (2) All payments due to subcontractors and suppliers from previous payments received under the contract have been made, and timely payments will be made from the proceeds of the payment requested, in accordance with subcontract agreements; (3) The request is made in good faith and is a true and accurate accounting of the work performed and materials supplied; and (4) The representative signing the request for a progress payment is authorized to certify the request on behalf of the CONTRACTOR.

Progress payments may be withheld if:

- a. Work is found defective and not remedied;
- b. CONTRACTOR does not provide consent of surety with each payment application;
- c. Another contractor is damaged by an act for which CONTRACTOR is responsible; or
- d. In the opinion of the OWNER that CONTRACTOR's work is not progressing satisfactorily.

OWNER herein (X) designates or () does not designate an agent, i.e., an architect or engineer, that must approve any payment request or invoice before the payment request or invoice is submitted to OWNER for payment. If an agent must approve the payment request or invoice before the payment request or invoice is submitted to OWNER, payment is due 25 business days after the date on which the payment request or invoice is stamped as received as provided in s. 218.74(1), Florida Statutes, except to the extent that the payment request or invoice does not meet contract requirements. The CONTRACTOR may send OWNER an overdue notice. If the payment request or invoice is not rejected within 4 business days after delivery of the overdue notice, the payment request or invoice shall be deemed accepted, except for any portion of the payment request or invoice that is inaccurate or misleading. If an agent

need not approve the payment request or invoice submitted by CONTRACTOR, payment is due 20 business days after the date on which the payment request or invoice is stamped as received as provided in s. 218.74(1), Florida Statutes, except to the extent that the payment request or invoice does not meet contract requirements. If OWNER disputes a portion of a payment request or an invoice, the undisputed portion shall be timely paid. OWNER shall reject payment requests or invoices in accordance with the procedure established in s. 218.735, Florida Statutes.

The OWNER further hereby identifies Bill Huffman, P.E. of Infrastructure Solution Services, bhuffman@infrastructureSS.com, as the agent that must approve payment requests prior to their submission to OWNER.

OWNER hereby identifies City of Cocoa Accounts Payable by email to accountspayable@cocoafl.gov as the agent or office to which the CONTRACTOR must submit payment requests or invoices to OWNER.

By making payments OWNER does not waive claims including but not limited to:

- a. Faulty work appearing after substantial completion has been granted;
- b. Work that does not comply with the Contract Documents;
- c. Failure of CONTRACTOR to comply with any special guarantees required by the Contract Documents.

Further, OWNER may withhold additional payment in anticipation of liquidated damages equal to the product of the number of Days after the scheduled Contract Time (Substantial Completion or Final Completion) and the amount of liquidated damages set forth in this Contract if CONTRACTOR is behind schedule and it is anticipated by OWNER that the Work will not be completed within the Contract Time. The additional retainage, under this subsection, may at the OWNER'S discretion be withheld from subsequent Progress Payments.

The OWNER, by written change order and without invalidating the Agreement, may order extra Work or make changes by altering, adding to, or deducting from the Work, the contract sum being adjusted accordingly. Additional time required for any change in Work must be included with the requested Change Order. The CONTRACTOR'S exclusive remedy for delays in performance of the construction caused by events beyond its control, including delays claimed to be caused by or attributable to the OWNER or the OWNER's agent and claims based on breach of contract or negligence, shall be a claim for an extension of the scheduled construction time.

In giving instructions, the City's Project Manager will have authority to make minor changes in the Work, not involving extra cost or time, and not inconsistent with the purpose of the Work, but otherwise, except in an emergency endangering life or property, no extra work or change will be made unless it goes through the City's written Change Order process and is approved

by the OWNER, and no claim for an addition to the contract sum or time will be valid unless so ordered in writing.

The value of any such extra Work or change will be determined in one or more of the following ways:

- a. By mutual acceptance of a lump sum.
- b. By unit prices named in the contract or subsequently agreed upon.
- c. By cost and percentage or by cost and a fixed fee.

If none of the above methods is agreed upon, the CONTRACTOR, provided it receives an order as above, shall proceed with the work. In such case and also under case (3) above, the CONTRACTOR shall keep and present in such form as the City's Project Manager may direct, a correct account of the actual cost of labor and materials, substantiated by back-up documentation. In any case, the City's Project Manager will certify to the amount, including reasonable allowances for overhead and profit, due to the CONTRACTOR. Pending final determination of value, payments on account of changes will be made on the City's Project Manager's estimate. Furthermore, if the CONTRACTOR claims that any instructions by drawings or otherwise involve extra cost under the Contract Documents, it shall give the City written notice thereof within ten (10) days after the receipt of such instructions, and in any event before proceeding to execute the work, except in emergency endangering life or property, and the procedure shall then be as provided above under this section. Claims will not be processed unless filed in writing before any work has commenced. In addition, if the City's Project Manager deems it appropriate the City may accept defective or incomplete work, and an equitable deduction from the Contract Price will be made therefor by Change Order.

13. **FINAL PAYMENT** - OWNER shall withhold up to 5% of the Contract Price until the date of Substantial Completion in accordance with the Local Government Prompt Payment Act ("Act"). As provided in Section 6 above, within 10 calendar days of Substantial Completion, the CONTRACTOR shall create and deliver to OWNER a draft Punchlist detailing Work which must still be completed to reach Final Completion under the terms of this Agreement, and the estimated cost to complete each item. Within thirty (30) calendar days of Substantial Completion for projects with a cost of \$10 million or less or within forty-five (45) calendar days of Substantial Completion for projects with a cost of over \$10 million, the OWNER shall approve a finalized Punchlist. As provided above, the OWNER and CONTRACTOR shall coordinate and cooperate in the development of the final Punchlist. Within 5 calendar days of OWNER finalizing and approving the Punchlist, the OWNER shall deliver the final approved Punchlist to CONTRACTOR.

Within 20 calendar days of the delivery of the final approved Punchlist, and only upon receipt of a proper invoice or payment request from CONTRACTOR, OWNER shall pay to CONTRACTOR the remaining contract balance, including all retainage previously withheld, less an amount equal to 150 % of the estimated cost to complete the items on the Punchlist, except as provided herein. Should no Punchlist be created within the thirty or forty-five day timeframe, as applicable, OWNER shall pay CONTRACTOR the remaining contract balance, including all retainage previously withheld, upon receipt of a proper invoice or payment request

from CONTRACTOR, unless the Punchlist has not been created because of the failure of CONTRACTOR to cooperate with OWNER, in which case OWNER shall pay to CONTRACTOR the remaining contract balance, including all retainage previously withheld, less an amount equal to 150 % of the estimated cost to complete the items on the Punchlist as determined solely by the OWNER.

CONTRACTOR may submit a proper invoice or payment request for the amount of retainage held to complete the Punchlist items only once all Punchlist items have been completed to the satisfaction of the OWNER. OWNER may continue to withhold the retainage if a good faith dispute exists as to whether one or more Punchlist items has been completed in accordance with the terms of this Agreement up to 150% of the total costs to complete those items in dispute.

The date of Final Completion shall be no less than 30 days following delivery of the final approved Punchlist to CONTRACTOR.

The remaining retainage amount shall be released with the Final Payment after the issuance of the Final Completion Certificate. The Final Completion Certificate shall be issued upon completion of all remaining Punchlist items. Consent of surety is required for final payment. OWNER shall make final payment to CONTRACTOR within thirty (30) days after the work is fully and properly completed, if the contract has been fully and timely performed, but subject to the condition that final payment shall not be due until CONTRACTOR has delivered to OWNER all close-out documentation.

14. **DESIGNATION OF PROJECT MANAGER OR ARCHITECT OR LANDSCAPE ARCHITECT: DUTIES AND AUTHORITY** - The duties and authority of the OWNER are as follows:

a. **General Administration of Contract.** The primary function of the OWNER is to provide the general administration of the contract. In performance of these duties, **Frank Mirabito, Project Manager**, City of Cocoa Public Works Department, Division of Streets and Stormwater with an email address of fmirabito@cocoafl.gov or his authorized representative is the OWNER's Project Manager during the entire period of construction. The OWNER (CITY) may change the Project Manager during the term of this contract.

b. **Inspections, Opinions, and Progress Reports.** The OWNER and its representatives shall be kept familiar with the progress and quality of the work by CONTRACTOR and may make periodic visits to the work site. The OWNER will not be responsible for the means of construction, or for the sequences, methods, and procedures used therein, or for the CONTRACTOR's failure to perform the work in accordance with the Contract Documents.

c. **Access to Worksite for Inspections.** The OWNER and its representatives shall be given free access to the worksite at all times during work preparation and progress. The Project Manager is not obligated to make exhaustive or continuous on-site inspections to perform his duties of checking and reporting on work progress, and any such inspections shall not waive Owner's claim regarding defective work by Contractor. No inspector is authorized to change any provision of the specifications without written authorization of the

City's Project Manager, nor shall the presence or absence of an inspector relieve the CONTRACTOR from any requirements of the Contract Documents.

If the specifications, the City's instructions, laws, ordinances, or any public authority, require any work to be specially tested or approved, the CONTRACTOR shall give the City timely notice of its readiness for inspection, and of the date fixed for such inspection. Inspections by the City's Project Manager will be promptly made.

If upon inspection such work is found not in accordance with the Contract Documents, the CONTRACTOR shall pay such cost, including compensation for professional services, and an appropriate deductive Change Order shall be issued.

d. **Interpretation of Contract Documents: Decisions on Disputes.** The OWNER will be the initial interpreter of the contract document requirements, and make decisions on claims and disputes between Contractor and Owner.

e. **Rejection and Stoppage of Work.** The OWNER shall have authority to reject work which in its opinion does not conform to the Contract Documents, and in this connection may stop the work or a portion thereof, when necessary.

f. **Payment Certificates.** The OWNER will determine the amounts owing to CONTRACTOR as the work progresses, based on CONTRACTOR's applications and OWNER's inspections and observations, and will issue certificates for progress payments and final payments in accordance with the terms of the Contract Documents.

g. **City Reviews and Status.** The City's review, inspection, or approval of any Work, applications for payment, or other submittals shall be solely for the purpose of determining whether the same are generally consistent with the City's scope and requirements for the project. No review, inspection, or approval by the City of such Work or documents shall relieve the CONTRACTOR of its responsibility for the performance of its obligations under the Contract Documents or the accuracy, adequacy, fitness, suitability, or coordination of the Work. Approval by any governmental or other regulatory agency or other governing body of any Work, design document, or construction document shall not relieve CONTRACTOR of responsibility for the performance of its obligations under the Contract Documents. Payment by the City pursuant to the Contract Documents shall not constitute a waiver of any of the City's rights under the Contract Documents or at law, and CONTRACTOR expressly accepts the risk that defects in its performance, if any, may not be discovered until after payment, including final payment, is made by the City. Notwithstanding the foregoing, prompt written notice shall be given by the City or City Project Manager to the CONTRACTOR if the City becomes aware of any fault or defect in the Projects or non-conformance with the Contract Documents. Furthermore, the City shall not have control or charge of construction means, methods, techniques, sequences, or procedures, or for safety precautions and programs in connection with the Work, nor shall the CONTRACTOR, for any of the foregoing purposes, be deemed the agent of the City.

15. **PROGRESS MEETINGS** – OWNER'S Project Manager may hold periodic progress meetings on a monthly basis, or more frequently if required by the OWNER, during the term of work entered into under this Agreement. CONTRACTOR's Project Manager and all other

appropriate personnel shall attend such meetings as designated by the OWNER'S Project Manager.

16. **RESPONSIBILITIES OF CONTRACTOR** - CONTRACTOR's duties and rights in connection with the project herein are as follows:

- a. **Responsibility for Supervision and Construction.** CONTRACTOR shall be solely responsible for all construction under this contract, including the techniques, sequences, procedures and means, for the coordination of all work. CONTRACTOR shall supervise and direct the work, and give it all attention necessary for such proper supervision and direction.
- b. **Discipline and Employment.** CONTRACTOR shall maintain at all times strict discipline among his employees, and he agrees not to employ for work on the project any person unfit or without sufficient skill to perform the job for which he was employed.
- c. **Furnishing of Labor, Materials, etc.** CONTRACTOR shall provide and pay for all labor, materials and equipment, including tools, construction equipment and machinery, utilities, including water, transportation, and all other facilities and work necessary for the proper completion of work on the project in accordance with the Contract Documents.
- d. **Payment of Taxes: Procurement of Licenses and Permits.** CONTRACTOR shall secure all licenses and permits necessary for proper completion of the work, paying the fees thereof. CONTRACTOR warrants that it (and subcontractors or tradesmen, if authorized in the Contract Documents) hold or will secure all trade or professional licenses required by law for CONTRACTOR to undertake the contract work.
- e. **Guarantee.** The CONTRACTOR hereby guarantees the Work to the full extent provided in the Plans, Specifications, General Conditions, Special Conditions and other Contract Documents. The CONTRACTOR shall remove, replace and/or repair at its own expense and at the convenience of the OWNER any faulty, defective or improper Work, materials or equipment discovered within one (1) year from the date of the acceptance of the project as a whole by the Owner or for such longer period as may be provided in the Plans, Specifications, General Conditions, Special Conditions or other Contract Documents. Without limiting the generality of the foregoing, the CONTRACTOR warrants to the OWNER, that all materials and equipment furnished under this Agreement will be of first class quality and new, unless otherwise required or permitted by the other Contract Documents, that the Work performed pursuant to this Agreement will be free from defects and that the Work will strictly conform with the requirements of the Contract Documents. Work not conforming to such requirements, including substitutions not properly approved and authorized, shall be considered defective. All warranties contained in this Agreement and in the Contract Documents shall be in addition to and not in limitation of all other warranties or remedies required and/or arising pursuant to applicable law. Furthermore, CONTRACTOR will provide written guarantee for work and materials for one (1) calendar year after acceptance by OWNER. The one (1) period is not a limitation upon manufacturer warranties or CONTRACTOR's payment and performance Bond(s).

- f. **Project Site.** The CONTRACTOR shall, among other things, (i) visit and thoroughly inspect the project site and any structure(s) or other man-made features to be modified and become familiar with local conditions under which the project will be constructed and operated; (ii) if applicable, familiarize itself with the survey, including the location of all existing buildings, utilities, conditions, streets, equipment, components, and other attributes having or likely to have an impact on the project; (iii) familiarize itself with the City's layout and design requirements, conceptual design objectives, and budget for the project; (iv) familiarize itself with pertinent Project dates, including the Project Schedule; (v) review and analyze all project geotechnical, hazardous substances, structural, chemical, electrical, mechanical, and construction materials tests, investigations, and recommendations; and (vi) gather any other information necessary for a thorough understanding of the project. If the project involve modifications to any existing structure(s) or other man-made feature(s) on the project site, the CONTRACTOR shall also review all as-built and record drawings, plans, and specifications of adjacent work which the CONTRACTOR requests from the City , and shall thoroughly inspect the existing structure(s) and man-made feature(s) to identify existing deficiencies and ascertain the specific locations of pertinent structural components. Claims by the CONTRACTOR resulting from its failure to familiarize itself with the project site or pertinent documents shall be deemed waived.
- g. **Punchlist.** The CONTRACTOR shall be responsible for creation of the required Punchlist(s) as provided herein. Punchlist(s) must be approved by the OWNER.
17. **ASSIGNMENT** - CONTRACTOR shall not assign this Agreement, or any rights or any monies due or to become due hereunder without the prior, written consent of the OWNER.
- a. CONTRACTOR shall be fully responsible to OWNER for all acts and/or omissions performed by its subcontractors.
- b. If CONTRACTOR, prior to the commencement of any Work subcontracts any part of this Agreement by the subcontractor, CONTRACTOR shall require the subcontractor to provide OWNER and its affiliates with insurance coverage as set forth by the OWNER.
18. **THIRD PARTY RIGHTS** - Nothing in this Agreement shall be construed to give any rights or benefits to anyone other than OWNER and CONTRACTOR.
19. **PROHIBITION AGAINST CONTINGENT FEES** - CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONTRACTOR, to solicit or secure this Agreement, and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the CONTRACTOR, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.
20. **NO JOINT VENTURE** - Nothing herein shall be deemed to create a joint venture or principal-agent relationship between the parties and neither party is authorized to, nor shall either party act toward third persons or the public in any manner which would indicate any such relationship with the other party.

21. **INDEMNIFICATION** – CONTRACTOR shall indemnify and hold harmless the OWNER, its officers, employees, agents, engineer, and city attorneys (individually and in their official capacity, from liability, losses, damages, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness or intentional wrongful misconduct of CONTRACTOR and persons employed or utilized by CONTRACTOR in the performance of this Agreement.

CONTRACTOR specifically assumes potential liability for actions brought by CONTRACTOR'S own employees against the OWNER and, solely for the purpose of this indemnification and defense, CONTRACTOR specifically waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. This waiver has been specifically and mutually negotiated by the parties.

The indemnification provided above shall obligate the CONTRACTOR to defend at its own expense or to provide for such defense, at the option of the OWNER, as the case may be, of any and all claims of liability and all suits and actions of every name and description that may be brought against the OWNER or its officers, employees, and city attorneys which may covered by this indemnification. In all events the OWNER and its officers, employees, engineer, and city attorneys shall be permitted to choose legal counsel of its sole choice, the fees for which shall be reasonable and subject to and included with this indemnification provided herein.
