➤ Program Development for After-School	Design and Implement a plan to include Career Readiness and STEM into the After-School Curriculum by identifying new partners and additional resources for 2020. Continued from November, an art project and garden project has been added to the plan. New Curriculum to be implemented January 22, 2020	December 3-23		
➤ Restructuring of Leadership and Career Readiness Programs	With the changing dynamics of the community, necessary changes in curriculum and how it is best delivered to the participant, have become necessary. We are developing a new program delivery model to be submitted by February 1 for the Summer Leadership/Workforce Development Program. The new plan will identify and select Diamond Square youth between the ages of 12-14 to participate in the Summer Leadership Academy. The Academy will be designed similar to a Summer Camp Program including career exploration, teambuilding, fieldtrips, leadership training, and financial literacy.	Dec 3-23
