If you were not the property at the time the violation occurred, were you aware of the lien when you purchased the property? Yes / No / NA (Circle one) If the property was not in compliance at the time you purchased the property how many days from the time of purchase did it take for you to come into compliance?

Did you receive the Notice of Violation issued by the Code Enforcement Division: (Yes) No (Circle one)

Did you receive the Finding of Facts issued by the Code Enforcement Board: (Yes) No (Circle one)

The factual basis upon which the application for reduction of the lien should be granted:

The lien should be reduced because in order to have brought the property into Full Compliance, I needed to pull permits. The permits were applied for by the GC; however, the building Dept required an Architectural drawing, plumbing diagram, electrical map of the property. The drawings took a few weeks and the

Actual permit to ~~are~~ about 3 months or more to finalized, I did not get permit until Oct of 2019 - Still there were corrects that had to be made on the drawings that cause resubmitting

The reasons, if any, compliance was not obtained prior to the order of penalty or fine being recorded:

One of the reason why compliance was not obtained was because I hired a
Car Contractor & paid him \$12,000 to start the renovations, to my surprise
he took off the money with the money; Secondly, the marts were going to the
property and not the mailing Address

Amount you are requesting that the lien be reduced to: \$100.00 - \$1000.00

Please provide any other information deemed pertinent to this request, including but not limited to the
circumstances that exist which would warrant the reduction or forgiveness of the penalty or fine. Include
documentation of any financial investment made to physically improve the property:

The first contractor took eq with \$12,000, Secondly \$13,500 and the third and current
\$20,000, materials 33,000, Mortgage of \$65000 monthly payment \$650. According
to the numbers if I pay this fine of \$26,000 I would be upside down
when this property sells, although I am still not going to make a
profit according to the comparables in the area.

Are there any other properties within the jurisdictional limits of the City of Cocoa owned by the applicant
and/or owners of the subject property on which code violations have been alleged, of which the case is still
