
City of Cocoa
Task Order 2021-13 Addendum No. 1
FY 2021 Engineering Services for the Water System
Program Management Services - Water Supply and Water
Treatment Support

Objective

The purpose of this task order Addendum No. 1 is to provide additional program management services, including program management/administration, design management and construction project support services for Operating Revenue (OR) funded Cocoa Utilities Capital Improvement Plan (CIP) program projects related to water supply and water treatment. This task order Addendum No. 1 is intended to include the estimated level of effort to provide the above described services on a time and materials basis compensation method for the period from October 1, 2020 through September 30, 2021. Services proposed by JACOBS Engineering Group (JACOBS) in this Task Order Addendum No. 1 will be performed in accordance with the Agreement for Continuing Engineering Services for Water System awarded by the City of Cocoa on February 5, 2020.

Scope of Services

Task 1 – Project Management, Engineering and Operations Support

No scope changes.

Task 2 – SCADA, Process Control Systems and Instrumentation Support

JACOBS will provide additional project management, engineering and operations support of the Dyal Treatment Plant Supervisory Control and Data Acquisition (SCADA) system, process control systems, and instrumentation. The SCADA system is the main control system for the water treatment plant, wellfield, and distribution pump stations.

The following additional support services will be provided under this addendum:

- Operational support of newly upgraded SCADA servers including troubleshooting and walkthroughs with City staff.
- Planning and coordination of new project to develop cybersecurity policies for the SCADA system.
- Planning and coordination of new project to upgrade the SCADA development server.

-
- Increased support from operations specialists to aid in resolving operations issues with water supply and water treatment processes.

Assumptions

- The presence or duties of JACOBS' personnel at a construction site, whether as onsite representatives or otherwise, do not make JACOBS or JACOBS' personnel in any way responsible for those duties that belong to City and/or the construction contractor or other entities, and do not relieve the construction contractor or any other entity of their obligations, duties, and responsibilities, including, but not limited to, all construction methods, means, techniques, sequences, and procedures necessary for coordinating and completing all portions of the construction work in accordance with the construction Contract Documents and any health or safety precautions required by such construction work.
- JACOBS and JACOBS' personnel have no authority to exercise any control over any construction contractor or other entity or their employees in connection with their work or any health or safety precautions and have no duty for inspecting, noting, observing, correcting, or reporting on health or safety deficiencies of the construction contractor(s) or other entity or any other persons at the site except JACOBS' own personnel.
- The presence of JACOBS' personnel at a construction site is for the purpose of providing to City a greater degree of confidence that the completed construction work will conform generally to the construction documents and that the integrity of the design concept as reflected in the construction documents has been implemented and preserved by the construction contractor(s). JACOBS neither guarantees the performance of the construction contractor(s) nor assumes responsibility for construction contractor's failure to perform work in accordance with the construction documents.
- JACOBS will reasonably rely upon the accuracy, and completeness of the information/data provided by the City or other third parties.
- Deliverables will be provided in electronic format with no hard copies. Hard copy deliverables can be provided at additional cost.
- Work under Task 2 may be performed via a remote connection or partially performed in a JACOBS office with final installation onsite as determined by the city.
- All deliverables will be submitted as draft for City of Cocoa review and comments. City of Cocoa will provide written review comments for draft deliverables within two calendar weeks, or deliverable will be considered acceptable as submitted. Comments received will be addressed and a final document issued.

- JACOBS consultation, review, configuration, or study (as applicable) of Client's software, hardware, products or systems (collectively "Client's System") in no way makes JACOBS responsible for the performance, operation or security of Client's System. JACOBS makes no warranty, whether expressed or implied, as to the viability or performance of Client's System. Additionally, JACOBS cannot and does not provide any representation, warranty or guarantee that its services will ensure the Client's System will not be vulnerable, susceptible or open to outside infiltration, exploitation, hacking or breach from third parties, outside entities or sources. Client is solely responsible for the security of Client's System and JACOBS' services do not in any way relieve the Client of any responsibility for the protection, firewalling and/or overall security of the Client's System. JACOBS shall have no responsibility or liability for the security of Client's System and Client shall indemnify and hold JACOBS harmless for any claims, liability, actions, damages, expenses, and/or costs of any kind associated with any actual or alleged infiltration, data loss, data corruption, exploitation, hacking or breach of Client's System at any time regardless of the source or cause thereof.

Schedule

This Task Order covers the period from date of October 1, 2020 through September 30, 2021.

Compensation

Compensation for the additional services authorized under this task order Addendum No. 1 in the amount of \$64,916 will be provided using the time and materials basis method with budgets between the tasks and expenses being interchangeable as needed. Costs are summarized below by task. The total cost of the original fee and this Addendum No. 1 is \$439,624.

Task	Original Hours	Original Fee	Addendum No. 1 Hours	Addendum No. 1 Fee	Total Fee including Addendum No. 1
TASK 1 - Project Management, Engineering and Operations Support	800	\$122,088	0	\$0	\$122,088
TASK 2 - SCADA, Process Control Systems and Instrumentation Support	1,576	\$235,620	356	\$64,916	\$300,536
EXPENSES & SUBCONSULTANTS	N/A	\$17,000	0	\$0	\$17,000
Grand Total	2,376	\$374,708	356	\$64,916	\$439,624

Levels of effort for tasks are estimates based on the best information available at the time of task order development. As projects scopes are better defined, actual levels of effort required and associated fees might differ and require coordination between JACOBS and the City.

Notes:

1. Billing rates for the City of Cocoa are designated for the length of this Agreement from February 2020 through January 2023.
2. These rates do not include other direct expense cost. Reimbursable other direct expenses shall be billed in accordance with the terms of the contract.
3. Billing rate schedule is for time basis work order and the City will be billed based on actual hours by category designated for an individual employee.
4. Jacobs reserves the right to request rate modifications for any future extensions to this agreement. Rate modifications must be established and agreed upon by both parties.
5. All copies, reproduction, subconsultant work, materials or equipment purchased or other direct costs shall be pass-thru cost without any mark-up.
6. Travel is reimbursable at the IRS rate for employees and specialists outside the Orlando office only.
