1. Reconstituting the Diamond Square Community Redevelopment Agency by making six (6) appointments to the Agency Board. Appoint the Chairperson and Vice-Chairperson for the Agency. (20-55). (Administrative Services Director)

Ms. Gemmati presented the item and explained the requested action. Discussion was held on the appointment of the Chair and Vice-Chairperson. City Manager Titkanich stated that historically, the Agency selected the Chair and Vice-Chairperson.

A question arose as to whether or not Commissioner Lober would be serving on the board. Attorney Garganese explained that it would be someone from Commissioner Lober's district or an appointment made by the County Commission, which was stated in the Interlocal agreement.

Mr. Demetrius Waters, 911 School Street, advised that he has been a community advocate for twenty three years. He was excited to see the board being revamped after all of this time. He reminded all of how it got to this point and urged Council to think hard before special treatment was given to those who have had their time on the board.

City Manager Titkanich clarified the information that the information that Mr. Waters was referring to was the Consent Decree which was outside of the Diamond Square CRA. The creation of the Diamond Square CRA goes back to 1996 and 1997 when the City sought creation through the County. Every year, the Diamond Square CRA along with other CRA budgets are audited and there has never been a comment related to this agency. The only comment he was aware of was for the Cocoa CRA and the fund balance.

Councilmember Warner felt that the Chair and Vice Chair deserve four-year terms and that Tracy Moore has done an outstanding job as Chair and has been very dedicated. She nominated Ms. Moore for Seat #6.

Deputy Mayor Goins stated there were new applicants and he would like to see Ms. Isom and Ms. Smith in Seat 5 and 6.

Councilmember Warner voiced her concern with a new person receiving a four-year term, as they may decide that this position was not for them. She would rather see the new members take less terms. She further noted that she put Ms. Collins down for the one-year term and explained her reason for that.

Councilmember Koss pointed out that Mr. Jones was Volunteer of the Year but had no preference on the other seats. She agreed with Councilmember Warner about the one-year term for Ms. Collins.

Councilmember Warner agreed about Mr. Jones as well and agreed with Councilmember Koss that she does not know everyone on the board.

Deputy Mayor Goins added that he picked up Ms. Collins and has spoken with her regarding this issue. He struggled with his decision but for Seat 1 he chose Ms. Thomas, who has three years' experience on the board. He further pointed out that the County was going to be represented on the board which will bring a different atmosphere to the board.

Deputy Mayor Goins reviewed his list and felt it was a good balance. Councilmember Warner had no problems with the listing.

Mayo Williams nominated Ms. Moore as Chair and Ms. Martin as Vice Chairperson.

Councilmember Warner believed that this was a great set of appointments but would vote "No" because Ms. Collins was not on the list.

- * **MOTION by Deputy Mayor Goins; Seconded by Councilmember Boisvert, to approve the following appointments to the Diamond Square CRA: Seat #1: Sylvia Thomas; Seat #2: Ed Jones; Seat #3: Delores Martin; Seat #4: Tracy Moore; Seat #5: Marilyn Ross-Smith; and Seat #6: Jackie Isom.**

2. Discussion regarding the Teacher of the Year

Mayor Williams mentioned that Ms. Kathy Hamilton-Brown won Teacher of the Year last night at the King Center for Performing Arts. It was a very nice event and he pointed out that the Cocoa High Chorus sung as well.

Councilmember Koss believes that this is another significant accomplishment for our Cocoa schools and asked what could be done to promote her throughout the City.

Councilmember Warner thought a proclamation could be done or make her a special guest at a event. Mayor Williams added that the principal should be included as well.

Councilmember Koss asked how we could get the word out and it was mentioned that it could be placed in the FYI and shared on all social media sites.

She further announced that Bianca Drawdy from Cambridge Elementary won Rookie of the Year.

Councilmember Koss asked if flowers could be sent from Council and in response, City Manager Titkanich explained that the policy states that flowers are for funerals, etc.

Mayor Williams felt that there was a lot going on right now and if she was brought to a Council meeting that would be good and everyone could pitch in and give her flowers then.

Councilmember Koss believes that this could turn around the reputation of the Cocoa schools.

Assistant City Manager Fuhrer advised that the Florida Teacher of the Year has not been decided yet.

It was determined to invite her and her principal, along with the teacher from Cambridge and her principal to an upcoming Council meeting.

IX. City Business:

1. Requesting settlement authority for the tentative settlement agreement between City of Cocoa Police Officer Jacob Anzani and the City of Cocoa authorizing the payment of the Workers' Compensation settlement. (20-68). (Administrative Services Director)

Ms. Gemmati presented the item and noted that this agreement has been tentatively agreed upon between the employee's attorney and our attorney, however, it was required to be brought to Council.
