### CITY COUNCIL AGENDA ITEM

Memo Date: October 8, 2020  
Agenda Date: November 10, 2020  
Prepared By: Melinda M. Keesee, Field Operations Technician  
Through: Chris M. Collier, Assistant Utilities Director  
Through: John A. Walsh, P.E., Utilities Director  
Requested Action:

To Approve Participation in a Cooperative Purchase Agreement with Vermeer Southeast of Orlando, Florida, Utilizing the Sourcewell Contract No. 012418-VRM to Purchase a Vermeer D8x12 S3 Navigator Boring Machine and Associated Equipment

#### **BACKGROUND:**

The Water Field Operations Division (WFO) is requesting the approval to purchase a new Vermeer D8x12 S3 Navigator boring machine and associated equipment under the approved CIP project, CP-UT-20-VB (Project No. WS21BR).

Brevard County permits require that any service line installed must include casing (sleeves) on the service line. Purchasing the Vermeer S3 Navigator boring machine will assist the City in meeting this requirement and will provide WFO with an improved method of installing service lines by decreasing the time spent to install service lines and increasing operational efficiency.

Staff recommends approval to participate in the Sourcewell 012418-VRM cooperative purchase agreement to purchase a Vermeer D8x12 S3 Navigator boring machine and associated equipment.

#### **STRATEGIC PLAN CONNECTION:**

N/A

#### **BUDGETARY IMPACT:**

Budgeted	Yes
